RE: Delta Business Journal "Profiles in Leadership"

When Scott sent the event sheet today, he marked that he wanted you to make some opening remarks. After talking with Lee Ann, we felt it would work better for you to recognize the award recipients and Scott in your remarks rather than doing a proclamation.

This year's recipients are Kenneth Hood, Dr. Lester Newman, and Barthell Joseph, Jr. The keynote speaker is Ed Nixon (Richard's brother). Recognition to the DBJ's 5<sup>th</sup> anniversary is made in your remarks.
