

MEMORANDUM

January 5, 2003

TO: Governor

FROM: John

RE: Beaumont Foundation press conference

I sent a memo Friday outlining the purpose of this press conference with the Beaumont Foundation. Based out of Austin, TX, they were created as a result of a billion-dollar plus settlement against Toshiba.

They are here to announce a grant program in Mississippi, where a total \$1.1 million worth of Toshiba hardware will be made available to both individuals and schools.
