

MEMORANDUM

TO: Governor

FROM: John

RE: 50th Anniversary of the 172nd Airlift Wing

You will be introduced by General Lipscomb and will have about 10 minutes on the program to speak. The members of the 172nd will be in casual clothes since this is a family event. General Lipscomb and other officers will be in BDU's. You should wear your National Guard shirt (knit shirt) and khakis.

After your remarks, you will join General Lipscomb, Major General Cross and Colonel Jernigan in cutting the cake. They are working on having a large sword for you all to use to cut the cake.

I'm also attaching a copy of "The Mockingbird," the newsletter of the 172nd. Your remarks reference the front page article from Colonel Brock.
