

MEMORANDUM

July 11, 2003

TO: Governor

FROM: John

RE: M-TEK Grand Opening

M-TEK will provide interior trim components for the Nissan plant (door trim, roof trim, body side trim, garnish moldings and dash insulators). The plant is 219,000 square feet.

You will be introduced by Terry Burcham, the plant manager. Others scheduled to attend are Zenzo Fujita, President and CEO of Kasai Kogyo (parent company of M-TEK Mississippi); Shunji Yokoyama, President of M-TEK Mississippi; Dave Boyer, Nissan plant manager; David Richardson, Madison County Board of Supervisors; Mayor Fred Esco; and Dr. Billy Thames, representing the Madison County Economic Development Authority.
