RE: Visit with Wheelchair Tennis Team

WJTV will arriving at Battlefield Park at 6:30 to do a story on this wheelchair tennis team. Phillip Cash, who met with you at One on One last week, is on this team. The director of tennis at Battlefield Park, and the team's coach, is Henry Harris (who accompanied Phillip last week).

NOTE: There was a story in today's Clarion-Ledger sports section about wheelchair tennis that mentioned the certificate you presented to Phillip. They also ran the photo taken last week.

The team is trying to raise awareness about wheelchair tennis and raise money for them to attend tournaments.

Mayor Johnson is also scheduled to attend.
