

MEMORANDUM

April 2, 2002

TO: Governor

FROM: John

RE: MADD Press Conference

This press conference will take place in the 2nd floor rotunda. Danny Berry will introduce you. MADD National President Millie Webb is scheduled to speak, as is Lt. Gov. Tuck.

The remarks for the event are attached. I tied in this legislation with your veto of the brewpub bill (HB 1171), since the veto of HB 1171 mentioned the blood alcohol level bill. FYI, I spoke yesterday with William Perkins at the Baptist Record; he is writing a very positive editorial about your veto of the brewpub bill and signing of the BAC bill.
