RE: Script for "The Bottom Line"

You are confirmed to tape "The Bottom Line" at WLBT on Monday, April 8, at 1:30 pm. The tape will run Tuesday evening at 6:25 pm.

I spoke with Dennis Smith, and he said your comments need to run about 1:15. The attached script is 183 words, and I have timed it out at a little over one minute. Bill and Lee Ann have reviewed the script.
