The Governor will want to have the big writing tablet paper on the wall. Tear off 2 sheets and put them up as soon as you get there. Hand him the marker when he is ready to present.

You will give each person at the meetings a copy of the Executive Budget Power Point. You will leave one full budget at each location. As you are traveling to each site, call to let them know you are on your way and either early, late or on time.

Record each session and label the tape. You can use both sides of the tape. Thanks for all of your help.

**After Wednesday, please pass the tape recorder to whoever is traveling with the Governor on Thursday!!!!**
