The Honorable Wisler Marcellus  
President, Haitian Popular Party  
PO Box 6101  
Washington, DC 20044

Dear Mr. Marcellus:

In January 2000, the state of Mississippi entered the millennium with a new administration. The Honorable Ronnie Musgrove began his term as Governor of the State of Mississippi. As a new administration, we are faced with many new and oppressing issues for our state and many previously overlooked issues in our state. Currently, Governor Musgrove, his staff and our State Legislature are working to create positive changes for the State of Mississippi.

Unfortunately at this time, the Governor's office would not be able to assist you or become involved with your request. I wish you the best of luck in your campaign and in creating a democracy for the nation of Haiti.

Sincerely yours,

DR. DAVID COLE  
Chief of Staff
