Jerry & Elsie Weyrauch
SPANUSA
5034 Odins Way
Marietta, GA 30068

Dear Mr. & Mrs. Weyrauch:

Thank you for your letter and the suicide prevention advocacy letters signed by citizens of Mississippi. Suicide is a tragic end for many Americans. It is sad that people see no alternatives to their problems and have no one to help them through their crisis. I plan to work closely with state legislators during the upcoming years to make Mississippi an even better place to work, live and visit.

Very truly yours,

RONNIE MUSGROVE

Mr. James Bailey
128 Colmer Circle
Ocean Springs, MS 39564

Dear Mr. Bailey:

Your suicide prevention advocacy petition has been forwarded to me by SPANUSA. Suicide is a tragic end for many Americans. It is sad that people see no alternatives to their problems and have no one to help them through their crisis. I plan to work closely with state legislators during the upcoming years to make Mississippi an even better place to work, live and visit.

Very truly yours,

RONNIE MUSGROVE
