Rusty has picked up the large maps that show the 1944 Congressional Districts and Supreme Court Districts. You will have a lapel microphone and two easels for your presentation.

They want to present you with a USM windbreaker (like the coaches wear) for you to wear for tailgating and the Eagle Walk (if you do it). It would be a good photo op and supportive for you to wear it.

Do we need to talk about what you are going to wear to this event?????

Ratliff will be at the breakfast and tailgating and MaryAnn and Jeff Stewart will be in the President's booth.

We will go over list specifics later.
