The Honorable Governor Howard Dean  
State of Vermont  
97 State Street  
Montpelier, VT 05602

Dear Governor Dean:

Attached please find a copy of a letter that I have mailed to the Vermont House of Representatives. Upon request from a member of the Vermont Legislature, I wrote to let them know my position regarding "Civil Union Bill" H-847.

I wanted to let you know in advance of my feelings in regards to this legislation since we just recently defeated a similar bill in Mississippi.

I hope that you are well, and that things are running smoothly for you and the State of Vermont.

Very truly yours,

RONNIE MUSGROVE
