

MEMORANDUM

October 23, 2001

TO: Governor

FROM: John

RE: "Flag Across America" event

Attached is a page explaining what the "Flag Across America" event is all about. Once of the coordinators for the event is Todd Wissing. Tomorrow morning, he will say a few words, then introduce you and present you with the flag that is being carried across the country.

You will make your remarks, then lead the group in the pledge of allegiance. Following the pledge, you will present the flag to the next runner in the group.
