Your remarks for this event are attached, along with a memo from Justin Arnold (intern, Millsaps student) about the Millsaps United Nations Association. Michael Bentley will staff this event, and knows the person who will introduce you (Jaesa Malick, President of the Millsaps United Nations Association).

Michael said that at the end of your remarks, you are to introduce Dr. Wallace Conerly, Mississippi's United Nations Day Chairman. He will then read the proclamation you signed designating October 24 as United Nations Day in Mississippi.
