

MEMORANDUM

October 26, 2001

TO: Governor

FROM: John

RE: Visit to "Make a Difference Day" event

It is my understanding that you will be stopping by this event for approximately 20 minutes on the morning of Saturday, October 27. I spoke this afternoon with Marcia Reed from the Metro Jackson Housing Partnership. She said they will walk you around the site and discuss what they are doing with this project. There will be opportunities to talk with the volunteers, but there is no formal agenda or plans for remarks.
