Talking Points

- Good Morning
- Welcome to the 3rd Annual Children's Prayer Service.
- I'm excited to see such a fine looking crowd of children here today.
- You are the future of our state and of our nation.
- I'm pleased to see that each of you are here to support the power of prayer
 - That you have the courage to stand up for what you believe.
- (Say something about prayer in your life, the importance of being close to God and/or depending on him for your daily decisions.)

- I encourage you to stay strong in your beliefs.
- I want to challenge you to continue to pray each day and trust in God to help you make the right decisions in life.
