Kelly!

How are ya? How's the family?

Chris Grussaute has mentioned the needs of the Commission to me and I'm going to bring it up in a meeting with my boss this afternoon. I'll try to let you know asap.

What are your plans come January? Are you going to take some time off? I'm sure you won't have a problem finding work; you've probably got people lining up with offers already.

Give my best to everyone there. I'll be back in touch soon.

Hi, stranger. As you know, I'm the Governor's liaison to the Governor's Commission on Physical Fitness and Sports. They are one of those boards that are prohibited by statute from receiving state funds. They operate on a very slim budget and on volunteers. They recognize schools and businesses that promote physical education and healthy lifestyles/exercise for their students and employees. This annual recognition is made at a reception at the Governor's Mansion around Christmas each year. Reps from schools and businesses around the state attend.

The Commission's bank account is very low. They are seeking sponsorships for the reception (caterering fees, etc.) Do you think BCBS MS might be interested? If you think this might be possible, who should the chairman of the Commission contact?

I will be out of the office next week. Any info you could pass onto me for my return on the 21st would be greatly appreciated!!!

Thanks for your help. I hope all of the Sewell are well!
