Baton Rouge, LA 70808

Dear Ms. Rigby:

Thank you for the information you forwarded to me recently concerning *Manners of the Heart*, a manners and etiquette curriculum for elementary school children. I supported "respect" legislation introduced in the Mississippi Legislature this year; however, the Legislature did not pass the legislation. I will keep your information on file for future reference.

Again, many thanks for taking the time to share this information with me.

Very truly yours,

RONNIE MUSGROVE
