Dear Mark:

Thank you for your recent letter concerning the passage of House Bill 723. Please be assured that I signed this bill because I felt that it was in the best interest of our state. As with any piece of legislation, next year's session provides the opportunity for additional change.

Again, many thanks for taking the time to share your concerns with me. I hope that things are going well at the store and with your family.

Very truly yours,

RONNIE MUSGROVE
