Fourth Grade Students
Franzen Elementary School
730 North Catalpa Street
Itasca, IL 60143

Dear Students:

Thank you for asking me to participate in your American Quilt project. I am glad that you are studying the regions of the United States. I always enjoy hearing from students about the different projects that they are working on.

Again, many thanks for writing and for choosing to learn more about our country. Good luck in your endeavors!

Very truly yours,

RONNIE MUSGROVE
