Dear Janet:

Congratulations on your receiving a Fulbright Memorial Fund award from the Japanese government for cultural exchange and professional development. I know that you are looking forward to your upcoming trip to Japan.

It is my pleasure to send you the enclosed gift to present to your Japanese host family. I know you will share with them Mississippi's recent investments in education. I hope you will encourage them to visit our state in the future.

Congratulations again on your award. Have a wonderful trip and best of luck in all of your future endeavors!

Very truly yours,

RONNIE MUSGROVE
