

*Remarks for  
Harvey Johnson Event  
Wednesday, May 23, 2001*

- **Proud to be here tonight to support a fellow Democrat, Harvey Johnson**
- **Have had opportunity to work with Harvey over past four years, both as Lt. Governor and as Governor**
- **Want to ensure that good working relationship continues**
- **Tip O'Neill said that "all politics is local"**
  - **This is true; as capital city, Jackson and state government must work together**
- **We don't have a Democrat in the White House anymore, but we've got them at the top levels here in Mississippi**
- **Important to keep one as Mayor of Jackson**
- **Spread the good word about Harvey Johnson**
  - **Let people know about the good things happening in the city of Jackson**
- **Look forward to working with Harvey in the years to come**

RE: Harvey Johnson Event

Attached are some talking points for this event, as you requested Monday. Not knowing the history between you and Mayor Johnson, I kept them fairly broad.

If media is there and asks you about your support of Johnson, the answer should be reflect the desire for continuing the good working relationship with the City of Jackson.
