Dear Hunter:

It is my pleasure to write this letter on your behalf as you seek to become an Eagle Scout.

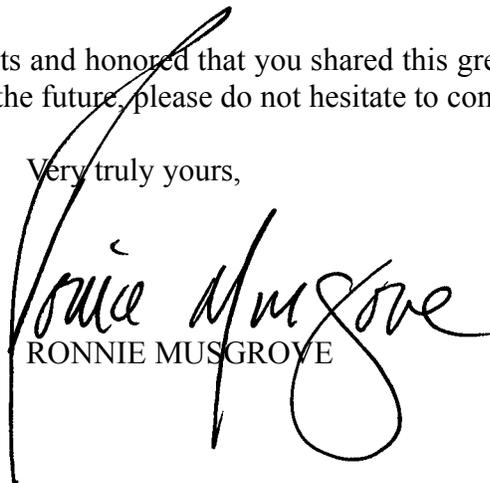

I have had the pleasure of knowing you all your life and I've known your family for many years. I've had the opportunity to watch you grow and mature into the fine young man that you are as a result of your friendship with Jordan. I'm happy, as I know Jordan is as well, that your friendship with him has remained constant these past few years after we moved to Jackson.

I believe the future holds great potential for you. Your involvement in athletics as a football player for South Panola, as well as your love for the outdoors and your activities with your church have all contributed to your being a well-rounded and personable young man. You also recognize the importance of applying yourself at school and the value of your education. You have proven your dedication to your family, your community, your country and your God. Let that spirit guide you throughout the rest of your life.

Your seeking and achieving the rank of Eagle Scout will be important not only to yourself, but to many people you will encounter through your life as well. In the true spirit of the Boy Scouts, you will be prepared to make a difference in the lives of your fellow citizens.

I am proud of your accomplishments and honored that you shared this great event with me. If I may ever be of assistance in the future, please do not hesitate to contact me.

Very truly yours,

RONNIE MUSGROVE
