Ms. Jane M. Leach  
Jackson Preparatory School  
P.O. Box 4940  
Jackson, MS 39296

Dear Ms. Leach:

Thank you for forwarding me the two letters from your students. It is always encouraging to see young people who are interested in their local government. As a teacher you should be commended also for your effort to get these letters to our office. It shows your genuine concern for your students.

Again, thanks for taking the time to share these well written letters from your students with Governor Musgrove.

Very truly yours,

Kelly L. Riley  
Policy Liaison
