Dear Mr. Dailey:

Governor Musgrove would like to thank you for the information regarding the upcoming 100th anniversary of powered flight. The remarkable accomplishments that have been achieved in the area of aviation from its first inception up until now is definitely and occasion worthy of great commemoration. The information that you provided will serve as a valuable resource for all who participate in this highly anticipated event. This information will be kept on file for future reference.

On behalf of the students, educators, governmental officials, and civic/cultural organizations of the State of Mississippi, the Governor extends his appreciation for the material you so graciously provided.

Very truly yours,

Kelly L. Riley
Policy Liaison
