HB 1115

HB 1115 amends current law to renumber and combine the following ten (10) route designations on the state highway system:

- Mississippi 477
- Mississippi 601
- Mississippi 605
- Mississippi 615
- Mississippi 617
- Mississippi 618
- Mississippi 619
- Mississippi 621
- Mississippi 729
- Mississippi 789

HB 1115 is effective from and after passage.

I have received phone calls from former Speaker of the House Buddie Newman and Bill Bunch on this bill. They both requested that you veto this bill if amended Mississippi 465 (a levee road) in Isaquena County because they have a relative who lives on this route. According to Newman and Bunch, there is an old agreement for MDOT to maintain the levee roads if the boards of supervisors or levee boards provided the gravel. HB 1115 does not affect Mississippi 465 and it contains no language relative to this agreement.

I recommend that you sign HB 1115.
