

MEMO

TO: Governor
FROM: Bunch
Riley
DATE: March 14, 2001
SUBJECT: Request of Rep. Joe Warren

Rep. Joe Warren requested of Kelly today an answer to the following:

How much federal money has the state drawn down to offset the teacher salary increase plan? Where has this money gone?

Rep. Warren said that he is posing this question because other legislators have posed the question to him and he wants to provide an accurate answer that reflects favorably of you.
