
OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM

TO: GOVERNOR
FROM: RILEY
SUBJECT: COMMISSION ON PHYSICAL FITNESS & SPORTS' REPORT CARD
DATE 8/8/01
CC: FILE

I received the attached draft of the Governor's Commission on Physical Fitness and Sports' report card on Mississippi's physical activity at this morning's commission meeting. Please excuse the written notes – some minor revisions are being made before it is to be printed.

Most of the report card contains statistical information on physical fitness and activities. However, I've highlighted the commission's recommendations for your review. The first two recommendations involve legislation and/or appropriations, so I wanted to point them out to you.

I've providing John with a copy of the report card so that you can mention it in your address to the health summit participants that morning. Several members of the commission, including Joe Cole and Ron Cain, plan on attending the summit. We are trying to arrange for Joe Cole to participate in a panel discussion so that he can highlight the work of the commission and the findings of the report card.

Please review the attached and advise me as to any changes that you would like to have made in the recommendations. Thanks!
