The Division of Medicaid has requested your signature on the attached 2 state plan amendments.

State Plan Amendment #2001-12 allows Medicaid to reimburse hospitals located in Mississippi an amount up to the upper pay limit.

State Plan Amendment #2001-03 is necessary to correct an inaccuracy in claims processing as it relates to co-payments being withheld for services rendered by a physician in an emergency room visit. State Auditors made Medicaid aware of the problem during a recent routine audit.

Please **check approved, date and sign the last sheet of both of the attached.**
