The Division of Medicaid has requested your signature on the attached state plan amendment.

State Plan Amendment #2002-22 makes technical corrections to two previous SPAs. SPA 2002-26 contained the UPL provisions, which were approved by CMS. SPA 2002-06, which was also approved by CMS and contained the 5% reduction in reimbursement for out-patient hospital services required in House Bill 1200, inadvertently overwrote the UPL provisions of both SPA 2002-26. This SPA, 2002-22, incorporates the provisions of both 2002-06 and SPA 2002-26.
