
OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM

TO: GOVERNOR
FROM: BOYD
SUBJECT: CHIP OUTREACH MEETING
DATE: 3/28/2000
CC: COLE
MADER
TELL

Per your direction last Friday, I have scheduled a meeting for you with the main outreach representatives for the CHIP program. They are Sister Donna Gunn (Catholic Charities and Mississippi Health Matters), Rims and Judy Barber, Oletta Fitzgerald and Rhea Bishop (Childrens' Defense Fund), Brian Tharp (Mississippi Health Advocacy Group). Also in attendance will be Lisa Mader and Rita Tell who are coordinating the outreach campaign from the Governor's Office. [I will be returning from a meeting in Memphis.]

The purpose of this meeting is to inform everyone of your vision for the CHIP outreach program and to settle any concerns that your administration is following the lead of the previous administration. (See Rita's memo regarding the "CHIP meeting with providers on Thursday.")

I have been asked to include Jane Boykin who has a Robert Wood Johnson Foundation grant to assist with CHIP outreach.

Please advise.
