

Speaker from the Nurses Foundation:

M. Jackie Williams, MSN, NPC  
Nurse Practitioner of Urogynecology & Women's Health at Women's  
Specialty  
Center, Jackson  
President of the MS Nurses Foundation

Title: What Every Woman Needs to Know About Vaginal Health  
What you don't know about vaginal health could harm you. During this  
informal, yet educational session, you will learn how to take charge!

Thanks for the opportunity, I will get my flyers to you before the deadline.  
Charlotte Cockrell
