SUBJECT: 2003 MISSISSIPPI WOMEN'S CONFERENCE (VERBAL FEEDBACK)
DATE: 4/16/2003
CC: STEERING COMMITTEE MEMBERS

The conference was a successful learning process. The presenters empowered attendees to return and share with their community what our state has to offer its citizens in the area of business development, health issues, charity, scholastic development, tasting art, legal and financial planning and many more. We have received calls from people requesting more information and sharing how informative this conference has been and looking forward to attending again next year.

As the workshop coordinator, I really appreciate your time and efforts to make this program a success and I am really looking forward to March 2004. If I may be of additional assistance, please do not hesitate to contact me for additional information.
