HANDMAIL

Dear Mr. Parham:

During the Agency Directors Meeting in June, I designated September 15, 2000, as the deadline for agencies to provide legislative packages to the Governor's Office for consideration and inclusion into the Governor's 2001 Legislative Package. Please direct your state legislative liaisons to provide their contact information and your agency's legislative agenda to Mr. Michael Boyd, Policy & Planning Director, by September 15, 2000, 12:00 noon.

Very truly yours,

RONNIE MUSGROVE
