
OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM

TO: GOVERNOR
FROM: BOYD
SUBJECT: APPOINTMENT TO THE NGA TASK FORCE ON ELECTRICITY INFRASTRUCTURE
DATE: OCTOBER 25, 2001
CC: RENICK, FORTENBERRY

NGA with the US Department of Energy is convening a Governor's Task Force on Electricity Infrastructure and you are to designate a representative to this task force. As you alternate to the Southern States Energy Board, I would like to serve in this capacity.

I have asked NGA to consider holding its June 2002 meeting for this task force in Mississippi to coincide with the Southern States Energy Board Meeting on Energy Best Practices. The SSEB meeting is in the initial planning stages. By combining these two, you will have an opportunity for better exposure and perhaps draw a larger crowd.
