

October 10,2001

Dear Friends:

You are invited to participate in the third of our 2001 Governor's Health Care Summit Series. The focus of this Summit is to bring together experts who can help develop new ways to approach improvement in the health areas with the greatest need. This Senior Health Care Summit will be held October 22, 2001 at the Lake Terrace Convention Center in Hattiesburg, Mississippi.

Health Care is a top priority for my administration and a necessity to improve the quality of life for our citizens. With the continued support and dedication of committed leaders, Mississippi will continue to strive for excellence.

During this Health Fair there will be opportunities for your organization to acquire booth space. Please contact Wanda Smith for available space by calling 601-359-9228.

We are building a bridge that connects families and seniors with critical issues in senior healthcare needs that affect the people of our state. I look forward to a successful meeting and hope that today's efforts will lead us to a healthy plan for tomorrow.

Very truly yours,

RONNIE MUSGROVE
