Dear Honorable Carbonell,

We are looking forward to your participation in the Governor's Health Care Summit. The Summit will bring together experts who shared new ways to approach improvements in health areas and knowledge of how Mississippi measures up when it comes to quality of life for our Senior citizens.

Health care is a top priority for Governor Ronnie Musgrove's administration and a necessity to improve the life of Mississippians. We can succeed with a healthy population. Enclosed is a copy of the agenda and area map for your safe travel.

Again I look forward to your participation in the third session of the 2001 Governor's Health Care Summit to be held October 22, 2001, at the Lake Terrance Convention Center in Hattiesburg, Mississippi. Our efforts today will lead us to a healthy plan for tomorrow. If I may ever be of assistance, please do not hesitate to contact me.

Very truly yours,

Wanda N. Smith
