
OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM

TO: GOVERNOR
FROM: BOYD
SUBJECT: BIOTERRORISM GRANTS
DATE: 4/11/2002
CC: RENICK, SMITH, KINNEY

Attached are support letters for the Bioterrorism and Hospital Preparedness Grants. You will recall these are the funds that Tommy Thompson designated for the Governors' approval. Also, attached is a financial summary of the grants' allocation. \$1.3 million will be allocated for the Governor's Office, DEQ, DPS, and MEMA. These funds will be used for personnel, equipment, training, and mobile laboratories. The remaining funds are supporting infrastructure needs in hospitals and the Health Department.

As these grants are due April 15, these letters need to be signed and sent on Friday, April 12th. We should plan a media announcement early next week with the Health Department and planning committee.

Please sign and return.
