Dear Mr. Walker:

Thank you for taking time from your schedule to meet with Governor Musgrove during his recent "One-on-One with the Governor" event.

Your fundraising efforts on behalf of St. Jude's Children's Research Hospital are commendable and bring hope to the hospital's patients. Governor Musgrove is unable to fulfill your request for his signature on the enclosed state flag, as state law prohibits the placing of any word, figure, mark, picture, design, or drawing upon the state flag.

Again, thank you for taking time to meet with Governor Musgrove. If you have any further questions, please contact me at 359-3150.

Sincerely yours,

Kelly Riley
Policy Liaison
