
OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM

TO: GOVERNOR
FROM: RILEY
SUBJECT: SGPB ANNUAL MEETING
DATE: 5/20/03
CC: FILE

1. Welcome baskets for governors' rooms: You indicated last fall that you wanted to put a hospitality basket in each governor's room. Governors Mike Huckabee, Brad Henry and Bob Wise will be staying at the hotel overnight, so we've ordered baskets for them. I did not order a basket for Governor Warner, as he is not staying overnight. You need to write a short personal note on your stationery cards to each of them, welcoming them to Mississippi and the conference. I'll attach the notes to their basket and have the baskets in their rooms when they arrive.

2. Sponsors: The last new sponsor that I have noted is Northrop Grumman for \$10,000 last week. Do you have any other new ones? Jim Clinton has suggested maybe Tom Wacaster at the Hardin Foundation, as he was at Jim's briefing at the capitol on February 18. Wacaster received the sponsor letter from you dated March 11th inviting the Hardin Foundation to sponsor SGPB. Clinton has also emailed that David Stephens, Human Resources Director for Peavey Electronics, is registered to attend the conference and he didn't know if Peavey might be a potential. Isn't Peavey a big R?

3. Placesetting gifts: You had also indicated that you'd like gifts for each placesetting at the Governor's Banquet. Stacey had been working on seeing if Nancy King might donate the Mississippi-shaped chocolates or, if she couldn't, if Walter could borrow her Mississippi mold to make them for us. I'll let you know what happens with this. If this doesn't work out, I was thinking of maybe calling Indianola Pecan House or Peter DeBeukelaer with the Pirouline Wafers in Madison to see if they could donate anything. Are these people I could call or should I not call them?
