I have received the final revised list of potential sponsors for next June's annual meeting from Jim Clinton at SGPB and Stacey has added her names. I am now ready to print the letters and get them to you for your signature. I want to do this tomorrow so that you can have the letters over the weekend to sign.

Stacey and I worked with SGPB's draft letter to make it sound like you. Please review the attached draft letter and either "OK" it or mark any changes that you want made.

Thanks!
