
OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM

TO: BARNES
BYRD
DAVIDSON

FROM: RILEY

SUBJECT: INFORMATION FOR SGPB'S CARICATURE OF GOVERNOR

DATE 3/4/-3

CC: FILE

Governor Musgrove is chairman of the Southern Growth Policies Board, so the Board will present him with the traditional Chairman's gift during the annual meeting in Biloxi in June. The Board gives the Chairman a caricature drawn by a Pulitzer Prize-winning cartoonist from the Charlotte Observer. SGBB has a picture of the Governor, but they need some details on his personality for the caricature.

As ya'll have been with him the longest and probably know him the best, I'm asking for your help on this. **THIS IS A SURPRISE FOR THE GOVERNOR, SO PLEASE DON'T MENTION THIS TO OTHER STAFF IN ORDER TO KEEP IT THAT WAY.** They asked for his eye color, education/school loyalties, and kids, all of which I can provide, but I need your comments on the following by next Wednesday, March 12th:

- Hobbies - I was going to mention he's an Elvis fan.
- Quirky stories, personal anecdotes (a bad habit, he's always late, etc.) – I was going to mention his amazing memory for sports statistics, history, numbers, etc...
- Favorite colors
- Food obsessions (besides BBQ and coconut cake)
- Particular clothing he always wears

Basically, any personal jabs that he would find amusing, but not insulting. Thanks!
