We have received an email from Keecia James, Program Manager for Southern Growth Policies Board's Southern Technology Council, that she has resigned to accept a position with a national program office of the Robert Wood Johnson Foundation called Active Living by Design. Since you chair the Southern Technology Council, I thought you might want to write Keecia a short personal note thanking her for her work and her support to the Council and wishing her well. She could prove to be a good contact for us with the Robert Wood Johnson Foundation.

I have Keecia's address and will be happy to mail the card to her once you have written it.
