- 12:31 Governor Musgrove speaks.
- 12:45 Suzanne presents *LeadershipPlenty* overview
- 1:00 Questions and Answers

Ronnie Musgrove was elected Mississippi's 62nd Governor on January 4, 2000.

Relentless. Determined. Persistent. These are the words used to describe Governor Musgrove's commitment to improving the quality of life for every Mississippian. By targeting education, health care, economic growth and public safety, Governor Musgrove is making a difference for Mississippi.

Governor Musgrove created a new economic development plan, the Advantage Mississippi Initiative. With the passage of supporting legislation, Mississippi now has the advantage over our competing states. The Advantage Mississippi

Initiative played a key role in Mississippi's securing of a \$1.4 billion Nissan plant with 5,300 jobs.

Creating jobs has become a trademark of Governor Musgrove's administration, but improving education remains his personal passion. The Governor's Task Force on Classroom Technology will place an Internet-accessible computer in every public school classroom in the state by the end of this month, making Mississippi the first state in the country to do so.

Governor Musgrove serves as Chairman of the Southern Growth Policies Board and has selected leadership development as the theme for his chairmanship.

Ladies and gentlemen, please help me in welcoming the Governor of the Great State of Mississippi, Governor Ronnie Musgrove.
