
OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM

TO: GOVERNOR
FROM: RILEY
SUBJECT: PROPOSED AGENDA FOR SREB EXECUTIVE COMMITTEE MEETING IN DECEMBER
DATE 11/8/02
CC: FILE

Mark has forwarded us the attached proposed agenda for December's Executive Committee meeting. He said that there is an "accountability/assessment" item that he may need to add. He'll let us know shortly. His staff will provide agenda materials on all agenda items to the Executive Committee ten days before the meeting.

You'll notice that Mark has tagged a press conference on at the end for you and Governor Patton to announce the Electronic Campus. Governor Patton will join you via a video conference link.

Please review the attached and let me know of any questions that you have or any changes that you would like Mark to make.

Mark also mentioned that there is generally some "big picture" topic conversation at Monday evening's dinner. He thinks that people will want to talk about the upcoming 2003 legislative sessions and education-related issues, perhaps this week's elections. Does this sound okay to you?
