Dear Nancy:

As Governor of the State of Mississippi, I am honored to extend my best wishes and congratulations upon the celebration of your retirement.

Your career has always consisted of service to others. From teaching third graders, to serving customers at Firestone, to serving your state and country in Congressman Montgomery's office, you have always worked to improve others' lives. You are to be commended for the difference that you have made in Mississippians' educational and professional careers during your twenty-four years of service in workforce training at the Department of Education and at the Community College Board. Thank you for the time, service and leadership that you have provided to Mississippi's workforce.

As you conclude your career as a leader, educator and friend, be assured that your efforts will forever serve as an inspiration for those who follow in your footsteps, to continue to build bright futures for Mississippians. Congratulations again on this accomplishment and best of luck in your future endeavors!

Very truly yours,
