During our meeting with Dr. Olon Ray this morning, Bill suggested that you might want to host a luncheon for the State Board for Community and Junior Colleges at the mansion similar to the ones you are hosting for the Legislature. The luncheon would have the same format and would give you an opportunity to answer their questions regarding the health care proposal. Bill is going to attend the August board meeting to introduce himself and discuss the proposal and we discussed your hosting the board at their September meeting on Tuesday, September 25.

This time is being held as tentative on your calendar. I have a call into Cora to discuss the availability of the mansion.

Do you want to host the SBCJC for lunch on Tuesday, September 25?
