Ms. Z'hra M. Ghavam
P.O. Box 10476
Jackson, Mississippi 39289

Dear Z'hra:

Congratulations on being selected as one of 150 high school students from across the country to participate in the 2002 NASA Summer High School Apprenticeship Research Program (SHARP PLUS). You are to be commended for your outstanding achievements in mathematics and science.

For eight weeks this summer, you will have the opportunity to become a part of a team conducting research related to NASA's mission. You will also have the opportunity to participate in enrichment activities designed to provide you with critical information relevant to mathematics, science and engineering careers. This will prove to be a unique opportunity for you.

Congratulations again on this accomplishment and best of luck in your future endeavors!

Very truly yours,

RONNIE MUSGROVE
