

July 17, 2000

**MEMORANDUM**

**TO:** Kelly Riley

**FROM:** Suzanne Ulmer

**RE:** Local Continuation Applications

There are three local grantees that did not meet the requirements per our continuation application process. They are:

North Bolivar – did not meet the scoring requirements for four of five sections for part II and did not meet the scoring requirements for one section of part III.  
Recommendation: Recommend funding with revisions for part III.

Northwest Mississippi Community College – met requirements for part II but did not meet the scoring requirements for all five sections for part III.  
Recommendation: Recommend funding with revisions for Part III

Yazoo Community Action Agency – submitted their continuation application two weeks late.  
Recommendation: Recommend having their application scored.

These issues were to have been discussed at our July 11<sup>th</sup> State Partner meeting that was cancelled due to so many conflicts. Need consensus of Partners to proceed.  
Thank you.
