
OFFICE OF GOVERNOR RONNIE MUSGROVE
INTEROFFICE MEMORANDUM

TO: GOVERNOR
FROM: RILEY
SUBJECT: NGA'S REQUEST FOR SIGNATURE ON LETTER
DATE: 10/3/2001
CC: FILE

NGA has emailed us the attached education letter for your approval. The letter is purposefully not issue specific because NGA sent a more specific letter in August that outlined the particular issues that we're concerned with (AYP, funding, IDEA). The purpose of this letter is to let the Congress know that Governor's want to stay involved in the process as decisions are made. The rumors in DC are that the leadership is working out the details without consulting others and that these priorities may be in jeopardy. The letter also makes it clear that if Governors are not consulted and these issues are not addressed, Governor's will not be able to support this bill.

I think we should sign the letter. Do you want your signature on the letter?
